ABOUT THE MARKET

The Brisbane Night Market is expected to launch from late 2018/early 2019. This exciting new entry to Brisbane's night life will be set under the massive Covered Unloading Area of the Brisbane Produce Market, which is located on the opposite side of Sherwood Road from the existing Saturday Fresh Market and Sunday Discovery Market at Rocklea.

The fully enclosed venue has already undergone structural preparation and is being transformed into a must-visit foodie hotspot and entertainment venue. The lighting, layout and offerings are designed to provide visitors with a multi-sensory experience. Visitors will be able to wander through arcades wafting with delicious foods, rummage through knick-knacks, crafts and other artisan offerings, catch up with family and friends in the relaxed, dedicated seating hubs, watch the kids engage with a myriad of performers and activities, and enjoy a beer or wine while watching the region's best upbeat performers on stage, all undercover.

Brisbane Night Market will trade every Friday from 4pm - 10pm, in what will be a spectacle of food theatre and amusement. It will be the perfect stop for commuters travelling home from work or school and the meeting place of choice for those in Brisbane's South.

THE SET UP

The focus is on street food with wine, beer and an array of other beverages available onsite, complemented by seating hubs set aside for people to relax. Local musical talent will perform on the main stage, while roving performers and entertainers will stroll the Market. Limited local arts and craft stalls will also feature. A kids' zone will be established, with fun activities such as bouncy castles, amusement rides, face-painting and other interactive games and rides, along with a relaxed seating option for parents looking on. It will be a night out for the whole family.
