ABOUT THE MARKET

This exciting new entry to Brisbane's night life is set under the massive Covered Unloading Area of the Brisbane Produce Market, which is located on the opposite side of Sherwood Road from the existing Saturday Fresh Market and Sunday Discovery Market at Rocklea.

The fully enclosed venue is transformed from the industrial, wholesale Market into a must-visit foodie hotspot and entertainment venue every Friday. The lighting, layout and offerings are designed to provide visitors with a multi-sensory experience.

Visitors can wander through arcades wafting with delicious food options, rummage through knick-knacks, crafts and other artisan offerings, catch up with family and friends in the relaxed, dedicated seating hubs, watch the kids engage with a myriad of performers and activities, and enjoy a beer or wine while watching the region's best upbeat performers on stage, all undercover.

Brisbane Night Market trades every Friday from 4pm - 10pm, in a spectacle of food theatre and amusement. It's the perfect stop for commuters traveling home from work or school and the meeting place of choice for those in Brisbane's South.

THE SET UP

The focus is on street food with wine, beer and an array of other beverages available on site, complemented by seating hubs set aside for people to relax. Local musical talent performs on the main stage, while children's performers and entertainers keep the young ones enthralled in the Kids Zone. Local arts and craft stalls also feature. The Kids Zone is full of fun activities such as bouncy castles, amusement rides and other interactive games and rides, along with a relaxed seating option for parents looking on. Every Friday is a night out that the whole family will enjoy.
